

The drawing shows a building floor plan with a site plan inset. The building is a rectangle with a dashed line indicating a central corridor or structural element. The site plan inset shows the building's location relative to a road and a railway line. The road is labeled 'ул. Косова' (ul. Kosova) and the railway line is labeled 'ж.д. линия' (zh.d. liniya). The building's footprint is outlined in red, green, and blue. The site plan inset shows the building's location relative to a road and a railway line. The road is labeled 'ул. Косова' (ul. Kosova) and the railway line is labeled 'ж.д. линия' (zh.d. liniya). The building's footprint is outlined in red, green, and blue. The site plan inset shows the building's location relative to a road and a railway line. The road is labeled 'ул. Косова' (ul. Kosova) and the railway line is labeled 'ж.д. линия' (zh.d. liniya). The building's footprint is outlined in red, green, and blue.
